The I/C Director welcomed all the members and discussed the following points. The queries raised by AIMIL- NextGen, Delhi & Evangelsoft Pvt. Ltd. Bengaluru, has been read and discussed with the above committee members.

S.NO	QUERY	CLARIFICATION
AIMIL- NextGen, Delhi		
1.	As per Point -4 - b Page - 30 of Tender documents. DBMS: The Database platform should be existing Oracle 12i; Is it the only DBMS which you are accepting or you will also accept the Open Source DBMS?	It is up to discretion of the Participant whether to continue in existing data base platform (DBMS) or open source DBMS but the expenditure and technicalities associated with it will be met out by participant.
2.	As per Point -A -9-e Page – 20 of Tender documents. Docs listed under TQ Criteria - : "Copy of Companies Maturity Model Level (CMM), to be uploaded" Is it (CMM) the necessary term to bid in this tender, Or a vendor who don't have CMM certificate can bid for this tender.	The "Copy of Companies Maturity Model Level (CMM) is to be uploaded and in case those who are not having can also participate.

S.NO	QUERY	CLARIFICATION
3.	Page – 70, Delivery Schedule of Tender documents -:	
	1. Please specify the delivery schedule for the selected bidder.	One month after awarding the work contract and the payment will be done after successful implementation of the work.
	2. Period of current contract	One year from the date of commencement of work which may be extendable up to 6 months
	3. Data Migration What data you want to migrate from existing software, just demographic/masters or financial too? whats is the DB size?	All the existing data available needs to be migrated. The existing data base size is 12 GB.
	4. Operators required How many operators will be required to work on software?	20 data entry operators required to run the software provided additional software and hardware support to be look after by the participant.
	5. Third Party Integration Is it required for any web portal or govt. sites?	As on date not required but it depends on the Government norms, incase if it is required needs to be upgraded.
	6. Barcoding do you need barcoding on any report/receipt/bill/Form?	Barcoding option should be provided however the applicability will be based on the practical feasibility which is evaluated during demonstration of the software.
	7. SMS Integration Is it required, if yes then on which event you will require and what will be the consumption?	SMS integration can be provided and required necessary upgradation to be done in the software.
	8. Web portal for Hospital Do you want us to provide any web portal for hospital with Lab reporting module integration?	Practical Feasibility will be evaluated during demonstration.
Evangelsoft Pvt. Ltd. Bengaluru		
1.	As per Point -A -9-e Page – 20 of Tender documents. Docs listed under TQ Criteria - : "Copy of companies Maturity Model Level (CMM) & ISO Certification is mandatory term to bid in this tender, Or a vendor who doesn't have these certification can bid for this tender?"	The "Copy of Companies Maturity Model Level (CMM) & ISO, if it is there to be uploaded and those who are not having can also participate.
